

Core and Elective Subjects 2012

Primary School Curriculum [Prep – Year 6]

The International Baccalaureate Primary Years Programme (PYP) is a curriculum framework that is implemented in the Primary School whereby students will explore the following subject areas within a transdisciplinary unit of inquiry approach.

Foundation Subjects

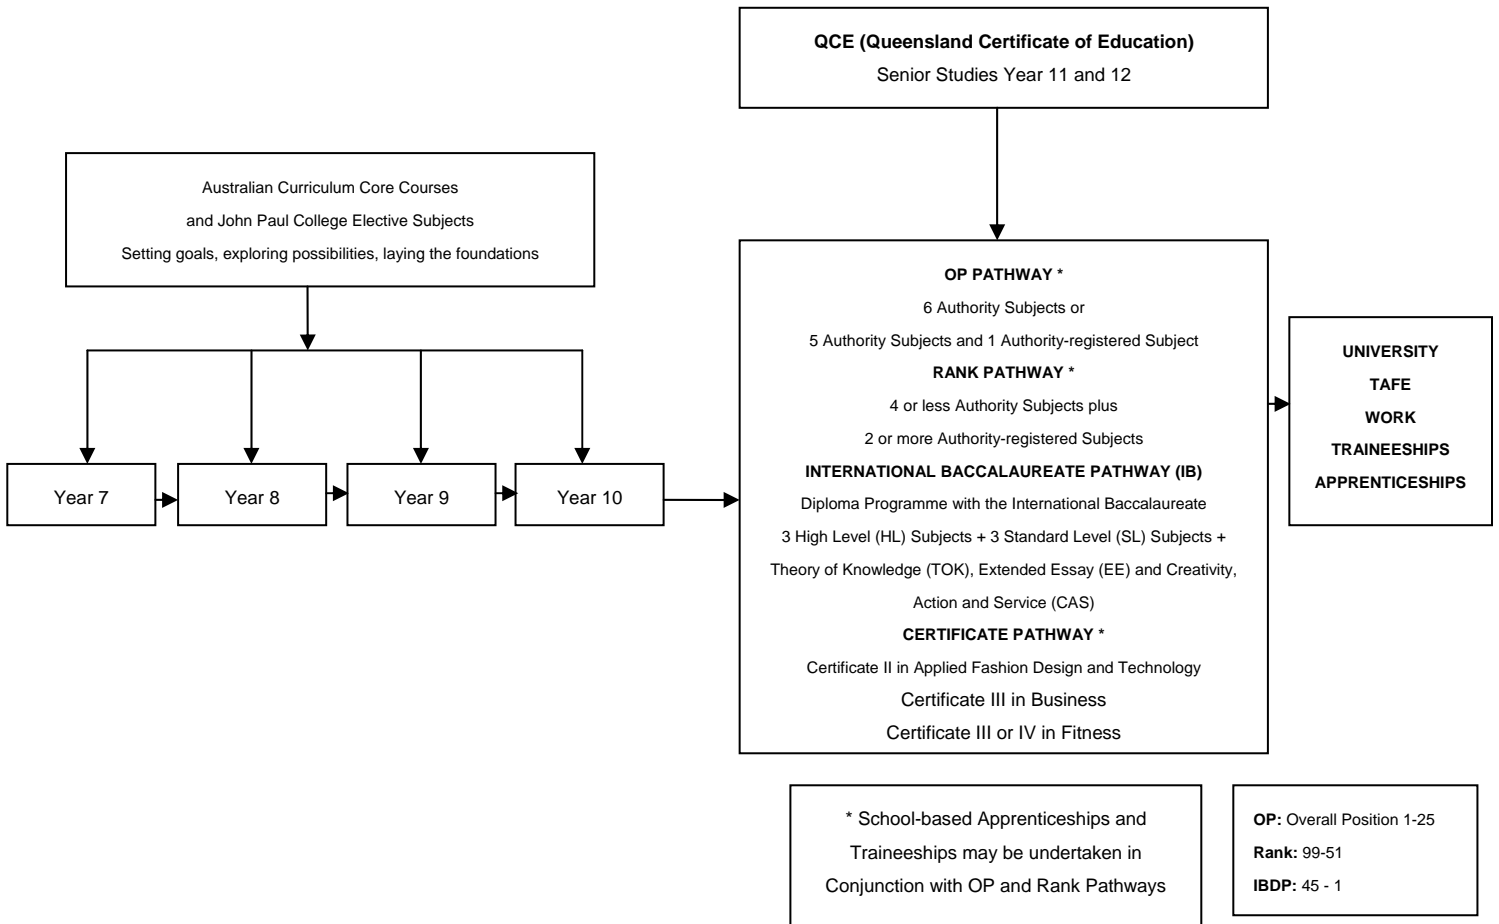

- English
- Mathematics
- Science
- Studies of Society and Environment
- Christian Living / Human Relationships Education

Specialist Lessons

- Art
- Health and Physical Education
- Spanish
- Performing Arts
- Information Services (Library)

Pastoral Care and Social Development are integral components of all aspects of the Primary School curriculum. Information and Learning Technologies are integrated throughout the curriculum
