1. Introduction

Under legislation, duty of care obligations, and the Faith basis of John Paul College, the College is committed to providing a safe environment to all Students and to upholding their best interests and wellbeing.

The processes detailed in this Policy are designed to facilitate these commitments and are compliant with Regulation 10 of the Education (Accreditation of Non-State Schools) Regulation 2011, as amended in 2014.

2. Definitions

Child means a person up to the age of 18 years of age.

Student means any person regardless of age who is enrolled at the School.

Confidentiality It is important when handling complaints information that the confidentiality of all parties concerned is respected. Information will be regarded as confidential if:

i. the information has the ‘necessary quality of confidence’ in that any unauthorised use would be detrimental to a party and that:

ii. it was shared or confided under circumstances where there was a special need for trust, eg between the harassment officer and the complainant, or between the Principal and the alleged offender.

iii. Information will be shared only if it is necessary to comply with the requirements of this Policy (designated persons) or as required by law.

Designated persons are persons designated to perform the specific duties, often in the absence or unavailability of senior staff.

Staff includes all staff, without exception, whether paid or volunteers, eg those involved in teaching or administration, bus drivers, cleaners, groundsmen, sporting coaches, sporting referees, teacher assistants, and volunteers working in any capacity for the College.

Harm (section 9 of the Child Protection Act 1999 as amended in 2014) caused to a Student under 18 years: is any detrimental effect of a significant nature on a Student’s physical, psychological or emotional wellbeing. It is immaterial how the harm is caused. The harm can be caused by physical, psychological or emotional abuse or neglect or sexual abuse or exploitation.

Teacher is a person employed in the capacity of a registered teacher at the College, and includes full time, part time, casual and re-appointments

Sexual Abuse (General Provisions Act, 2006) in relation to a relevant person includes sexual behaviour involving the relevant person and another person in the following circumstances:

(a) the other person bribes, coerces, exploits, threatens or is violent toward the relevant person;

(b) the relevant person has less power than the other person;

(c) there is a significant disparity between the relevant person and the other person in intellectual capacity or maturity.
Reportable Suspicion (Child Protection Act, 1999) is one where a teacher (extended under the Policy to all staff):

(a) has a reasonable suspicion that a Student has suffered, is suffering, or is at an unacceptable risk of suffering significant harm caused by physical or sexual abuse; and

(b) may not have a parent able and willing to protect the Student from harm.

Inappropriate Behaviour by a Staff Member towards a Student: Inappropriate Behaviour is NOT defined by law.

It includes Inappropriate Behaviour by a Staff Member towards a Student that is unwelcome or familiar behaviour that causes a Student to feel uncomfortable or which breaches the trust implicit in an adult-student relationship. All behaviours must comply with accepted societal values, professional and contractual obligations, current legislation and/or legal precedent. Behaviour which would be regarded by a reasonable person to be inappropriate between an adult and a Child will be responded to as such even if the Child does not reject it or indicate it is unwelcome.

NB. Many of these behaviours fall under the criminal offence of “grooming” or “maintaining a relationship with a Child”.

Neglect – The term neglect in this Policy may be defined as any act or omission whereby the Child is not cared for in the reasonable opinion of the School. According to the Department of Communities, neglect occurs when a Child’s basic necessities of life are not met, and their health and development are affected. Basic needs include:

- Food
- Housing
- Health care
- Adequate clothing
- Personal hygiene
- Hygienic living conditions
- Timely provision of medical treatment
- Adequate supervision

Relevant person means the Director mentioned in 365(1)(a) to (c), 365A(1)(a) to (c), 366(1)(a) to (c), or 366A(1)(a) to (c) of the General Provisions Act 2006.

Natural Justice – The principle of natural justice will apply to processes and decisions under this Policy.

The principles of Natural Justice are that:

- A person alleged to have behaved improperly
  - has a right to particulars of what has been allegedly done;
  - has the right to respond to the allegations;
  - has a right to be heard in an unbiased forum.

Notifier is a person who brings notice of a Student Protection matter to the attention of the College.

Student Protection Contact Officers – refers to (at least 2) named and published Staff Members (as required under the Accreditation Act 2001) to whom Students may refer complaints.

Designated Board Director is the Director appointed unanimously by the Board to receive and report sexual abuse matters regarding Students.
Independent Protection Advisor – may be appointed by the College, and is independent of the College, but available for assessment of complaints.

Vexatious Complaint – a vexatious complaint is a complaint which has no substance and which may be brought with ill intent. Vexatious complaints may have serious consequences under the College Policy and legislation.

Unacceptable Risk – if the report of alleged Inappropriate Behaviour/harm is of such concern that in the reasonable view of the Principal (with consultation) the person implicated would be a danger – that person can be stood down or suspended in the interim.

Incident – any activity or set of circumstances of Inappropriate Behaviour, sexual abuse, or suspected sexual abuse, or where harm has occurred or is reasonably suspected.

Unprofessional Conduct is any behaviour which, by its nature, is inappropriate, unwise and has potentially damaging consequences.

Relevant State Authority is defined as the Police or Department of Communities Child Safety and Disability Services (DCCS DS)

Reporting Tree 2

MANDATORY REPORTING

2. Harm in the Nature of Sexual or Physical Abuse – To Child Safety

(This Policy expands the obligations placed on a teacher to all staff.)

A Staff Member becomes aware of or has a reasonable suspicion of sexual abuse or physical abuse of a Child under 18 years.

Under Law and Policy that person must consult with the Principal/Delegate.

The Principal will assess whether this is a “reportable suspicion” under the Child Protection Act.

Does it meet the 2 tests?

**The Significance Test**

Is this Significant Harm on the information available?

- Yes
- No

**The Parent Test**

Does the Child have a parent willing and able to protect the Child?

- Yes
- No

**IF ‘YES’**

If both tests are satisfied, the Principal must report to the Department of Child Safety (as well as Police) and inform the Staff Member that this has been done.

**IF ‘NO’**

If not both satisfied, the Principal must report the sexual abuse and possibly the physical abuse to Police under Reporting Tree 1.

Where both tests are not satisfied the School will respond, seek to remediate and remedy internally or may refer to and access Family and Child Connect Services

Document all actions
3. Discretionary Reporting of “Other” Harms – psychological, emotional neglect, exploitation

The Staff Member becomes aware or has a reasonable suspicion that a Student has been harmed psychologically, emotionally or by neglect.

Under law and under Policy the Staff Member must, as a matter of process, report to Child Protection Officers, or other designated persons through to the Principal.

Because this is not Sexual or Physical Harm it does not fall under the mandatory provision of the Child Protection Act regarding sexual and physical harm. However at the Principal’s discretion he may report to Child Safety.

Otherwise the College will manage the issues internally including by investigation and disciplinary responses, the Contractual obligations of parents/partnership, or pastoral responses.

The College may make referrals to Family Support Services preferably with, but also without, parental consent to assist the Child and family.
